Dear Parent/Carer

Re: Year 7 Parents' Evening Date Change

Please be aware that the forthcoming Year 7 parents evening scheduled for Wednesday, 24th May has been re-scheduled and will now take place on Wednesday, 21st June.

Prior to the evening you will receive further information and your son/daughter will be asked to make appointments with their subject teachers for you.

I hope that this change does not cause any inconvenience and that you will still be able to join us for this important collaborative evening.

In the meantime, should you require further information please contact Ms Byerley or Mrs Holbrook in the Year 7 office.

Yours faithfully

Mr J Wilburn
Deputy Headteacher
